

Instructions for Use

EP-5920 EP-5940

Horizontal Kraft Paper Dispensers

Step 1.

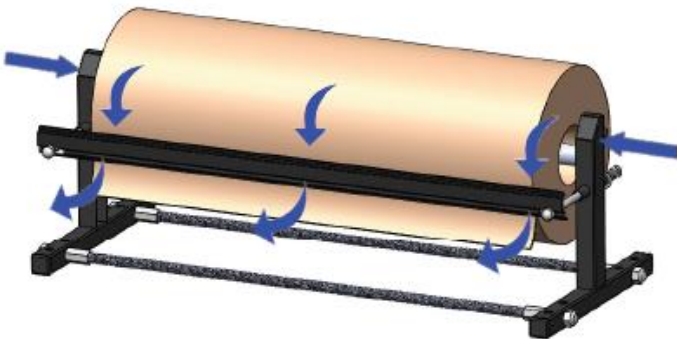

Remove the **black inserts** from your kraft paper roll.

Step 2.

Remove the **center support** (E5920-06) and slide it into your kraft paper roll.

Step 3.

Mount the **center support** back onto the **T-stands**, ensuring that the kraft paper feeds underneath (not over!) the **paper strip**.

Step 4.

Pull the kraft paper to your desired length and tear the paper using the **paper strip**.
